Farm Animals 3D UNO Deck (56 Cards)

Printing & Cutting Instructions

1. Paper Recommendation: Use heavy white cardstock (200–300 gsm) for durable playing cards.
2. Double-Sided Printing: Print Pages 2–8 first. Then feed the paper back into the printer and print Page 9 (Card Backs) on the reverse side. Select 'Flip on Short Edge' in your printer settings.
3. Precision Cutting: Use a paper trimmer or scissors to cut neatly along the outer white border of each card.
4. Lamination: Optional – laminate sheets before cutting for long-lasting classroom use.

Classroom Game Rules

- Matching Rule: Players match cards by Animal Name, Starting Letter, Color, or Action Symbol.
- Vocabulary Callout: Players MUST say the animal name aloud in English when playing a card (e.g., 'dog!', 'sheep!').
- Action Cards: skip (), reverse (), +2 draw (), and wild ().
